

## Autophagy Antibodies

|       | Catalog        | Product Name                                            | Applications     | Reactivity        |
|-------|----------------|---------------------------------------------------------|------------------|-------------------|
| ATG2  | PAB15815       | Atg 2a polyclonal antibody                              | WB               | Mouse             |
|       | PAB23335       | ATG 2A polyclonal antibody                              | IHC-P            | Human             |
| ATG3  | H00064422-M04  | ATG 3 monoclonal antibody (M04), clone 1G3              | WB-Ce            | Human             |
|       | H00064422-M06  | ATG 3 monoclonal antibody (M06), clone 1F7              | WB-Ce, S-ELISA   | Human             |
|       | PAB0740        | ATG 3 polyclonal antibody                               | WB-Ce, IF        | Human, Rat        |
| ATG4  | PAB30239       | ATG 4C polyclonal antibody                              | IHC-P, WB-Ce, IF | Human             |
|       | PAB0738        | ATG 4B polyclonal antibody                              | WB-Ce            | Human, Rat        |
|       | PAB0737        | ATG 4C polyclonal antibody                              | WB-Ce, WB-Ti, IF | Human, Rat        |
|       | H00084938-B01P | ATG 4C purified MaxPab mouse polyclonal antibody (B01P) | WB-Ti, WB-Tr     | Human             |
| ATG5  | H00009474-M08  | ATG 5 monoclonal antibody (M08), clone 4B2              | S-ELISA          | Human             |
|       | PAB0712        | ATG 5 polyclonal antibody                               | WB-Ce, IHC-P, IF | Human             |
|       | PAB12482       | ATG 5 polyclonal antibody                               | IHC, WB-Ce, IF   | Human, Mouse      |
|       | H00009474-M04  | ATG 5 monoclonal antibody (M04), clone 1G11             | WB-Ce            | Human, Mouse      |
|       | H00009474-M06  | ATG 5 monoclonal antibody (M06), clone 3G11             | WB-Ce            | Human, Mouse      |
| ATG7  | PAB30240       | ATG 7 polyclonal antibody                               | IHC-P, IF        | Human             |
|       | H00010533-B01P | ATG 7 purified MaxPab mouse polyclonal antibody (B01P)  | WB-Ce, WB-Tr     | Human             |
|       | PAB0742        | ATG 7 polyclonal antibody                               | WB-Ce, IF        | Human, Rat        |
|       | H00010533-D01P | ATG 7 purified MaxPab rabbit polyclonal antibody (D01P) | WB-Tr            | Human             |
| ATG8  | PAB11359       | ATG 8 polyclonal antibody                               | WB-Re            | Yeast             |
| ATG9  | PAB0741        | ATG 9A polyclonal antibody                              | WB-Ce, IF        | Human, Rat        |
|       | PAB12481       | ATG 9A polyclonal antibody                              | WB-Ce, IHC-P     | Human, Mouse      |
| ATG10 | PAB30243       | ATG10 polyclonal antibody                               | IHC-P, IF        | Human             |
|       | PAB0732        | ATG10 polyclonal antibody                               | IF               | Human             |
|       | H00083734-P01  | ATG10 (Human) Recombinant Protein (P01)                 | IHC, IF          | Human             |
| ATG12 | H00009140-M01  | ATG12 monoclonal antibody (M01), clone 2H8              | S-ELISA          | Human             |
|       | H00009140-B01P | ATG12 purified MaxPab mouse polyclonal antibody (B01P)  | WB-Tr            | Human             |
|       | PAB0713        | ATG12 polyclonal antibody                               | IF               | Human, Rat        |
| ATG13 | PAB19948       | ATG13 (phospho S318) polyclonal antibody                | WB-Ce            | Human             |
|       | PAB19256       | ATG13 polyclonal antibody                               | WB-Ti            | Human, Mouse, Rat |
| ATG16 | H00055054-B01P | ATG16L1 purified MaxPab mouse pab (B01P)                | WB-Ti, WB-Tr     | Human             |
|       | PAB0739        | ATG16L1 polyclonal antibody                             | WB-Ce, IF        | Human, Rat        |
|       | PAB8069        | ATG16L1 (phospho S287) polyclonal antibody              | Dot-Pep          | Human             |

## Related Products

| Catalog  | Product Name                  | Applications     | Reactivity        |
|----------|-------------------------------|------------------|-------------------|
| PAB30233 | LGALS1 polyclonal antibody    | IHC-P, WB-Ce     | Human, Mouse, Rat |
| PAB30234 | SLC25A21 polyclonal antibody  | IHC-P, WB-Ce     | Human             |
| PAB30235 | GPR101 polyclonal antibody    | IHC-P            | Human             |
| PAB30236 | GNPTG polyclonal antibody     | IHC-P, WB-Ce, IF | Human             |
| PAB30237 | PSAP polyclonal antibody      | IHC-P, WB-Ce, IF | Human             |
| PAB30238 | INS polyclonal antibody       | IHC-P, WB-Ce     | Human             |
| PAB30241 | NPC1 polyclonal antibody      | IHC-P            | Human             |
| PAB30242 | GABARAPL2 polyclonal antibody | IHC-P, WB-Ce     | Human             |
